

Happy

birthday

to

you!

Happy

birthday

A horizontal line divides the page. Above the line, the word "to" is written in a large, black, rounded font. Below the line, the word "you!" is written in the same font. The background is white, and there are many small, colorful confetti pieces scattered around the text. The confetti includes red, blue, yellow, green, and white shapes like dots, dashes, and squiggles.
